

# Week #5 Agenda

Future Gadget Lab

## Progress

- Create all data classes.
  - Alien
  - Game
  - GameData
  - Key
  - Object
  - Player
  - PowerUp
  - Room
  - User
- Reformat code.
  - Fix misspelling
  - Fix indentation
  - Fix small issues here and there
  - Improve directory structure
- Start writing README.
- Create a base for Controller and UI to achieve the MVC style.

## Meeting Plan

- Show our data classes.
- Show our MVC implementation.
- Show controller pattern.
- Show GitHub workflow.
  - Issues
  - Pull Requests
  - Project Views
- Get feedback for all of them.
